Hi,
Check out River Café on Thames, 011-44-20-7386-4200. Great review in NY Times. Do you have any to recommend? We are staying at Royal Garden Hotel along Hyde Park in Kensington; supposed to be a posh place with a great restaurant.
Forgot to ask you but could you get the Warhol scanned to make a couple (one for here and one for Trinidad) of copies of the Warhol by Roscoe (?) or similar process? I'm going to do it with the one I have here.

Good hunting re Warhol stuff.

See ya.

Xs,

Len

Hey Len,

I am replying to you from London, where I have been for almost a week.

Things are heating up again with the Warhol situation, and there will be another huge magazine article coming out very soon. I met for two hours yesterday with Joe Simon (whom you may remember from the Vanity Fair article), and we did a conference call interview with the journalist. Stay tuned...

I should be in NY on the dates you mentioned, and look forward to seeing you.

Hugs,
N.
